Dear Mr Gibson

Thank you for taking the time to speak with me on ABC Radio on 2 February 2015 about the possible expansion of climbing opportunities at the Kangaroo Point cliffs. I also acknowledge your follow-up call on 24 February.

I understand you met with Councillor Matthew Bourke, Chairman of the Environment, Parks and Sustainability Committee, about this matter on 19 March. I was pleased to hear that the meeting was productive.

I can advise that Council will continue to work with all stakeholders, including you, to develop suitable recreational facilities for climbers where feasible. However, I cannot give a commitment to prioritising funding of works at Kangaroo Point Cliffs for additional climbing facilities over other projects of similar recreational benefit in other parts of the City at this time.

Yours sincerely

Graham Quirk
LORD MAYOR
